

Card Game Crossword Puzzle

By Janine Bouyssounouse

Across

3. A gambling game using cards; the object is to hold cards having a higher count than those dealt to the dealer up to but not exceeding 21.
5. A card game that uses three/four of a kind and runs to match up the card in the hand.
(2 words 3,5)
7. A card game played by one person.
8. A form of whist in which players avoid winning tricks containing hearts or the queen of spades.

Down

1. A card game in which players bet that they hold the highest-ranking hand.
2. A card game in which each player is dealt 6 cards and discards one or two to make up the crib.
3. Any of various card games based on whist for four players. This game includes selecting the trump for the hand in the bidding process.
4. A form of rummy using two decks and four jokers; jokers and deuces are wild; the object is to meld groups of seven of the same rank.
6. A card game where players ask each other for cards they have in their own hand to make matches (2 or 4 of a kind).
