## Vegetables Crossword Puzzle Clues

### Across

- 1** A thistle-like flower head with edible fleshy leaves and heart. Often served with melted butter.
- 4** A plant having a large edible head of crowded white flower buds. Can be cooked or served raw.
- 7** Informal term for money. Often used in salads.
- 8** Tall annual cereal grass bearing kernels on large ears: widely cultivated in America in many varieties.
- 9** Mildly acid red or yellow pulpy fruit eaten as a vegetable. A main ingredient in salsa and many sauces.
- 11** Bulbous herb that breaks up into separate strong-flavored cloves.
- 13** Dark green leaves; eaten cooked or raw in salads. There is a saying that eating this vegetable will make you strong.
- 14** Any of various leguminous plants grown for their edible seeds and pods. Often served with enchiladas.
- 15** Informal term for money. Often found in coleslaw.

### Down

- 2** Stalks eaten raw or cooked or used as seasoning. Sometimes they are stuffed and sometimes they are in drinks.
- 3** Plant with dense clusters of tight green flower buds. Some kids don't like to eat it.
- 5** Plant whose succulent young shoots are cooked and eaten as a vegetable.
- 6** Cylindrical green fruit with thin green rind and white flesh eaten as a vegetable; related to melons.
- 10** An aromatic flavorful bulb. It can bring tears to your eyes.
- 12** Perennial having hollow cylindrical leaves used for seasoning. Sometimes used as a baked potato topping.
